WAIKARI SCHOOL NEWS - PRINCIPAL

Dear parents/ caregivers,

This week all of our student's enjoyed education outside the classroom (E.O.T.C) activities/ opportunities. Both Kea and Karearea classes went skiing at Mt Lyford and even though conditions were slightly foggy, all students achieved particular individual milestones on the slopes. Sadly, one of our student's experienced the painful and detrimental side of skiing resulting in an unwanted broken leg. On behalf of all the staff and students, we wish her a speedy recovery. Weka class went to Rangiora to experience the trampoline and gymnastic programme. I have already seen the photos which illustrate a really fun and challenging learning experience. Thank you to staff for their organisational efforts and to you the parents for providing transport and assistance on these E.O.T.C days.

On Wednesday, Waikari School sent 2 teams to the North Canterbury CANTAMATH mathematics competition. Both the Year 6 & 8 teams performed exceptionally well and achieved very high placings. Our teams competed with 30 other schools from around North Canterbury. I have requested the final placings from Clarkville School the host school and will share these with you in next week's newsletter.

Currently, we have contractors on-site who are repairing the cracks in our paved areas and around the swimming pool. Please take care and observe and caution taped areas in and around our school environment.

At Mt Lyford Mr Kemp's lunch vanished. All that remained was glad-wrap and lettuce. Apparently the guilty party didn't like lettuce. Who can solve this mystery?

Waikari Housie: Housie is well under way and is going great.

Come along and help support the senior kids with their fundraising to get them to their Otago Rail Trail Camp. If you have never given housie a go, now is the time to try. It's great fun, with prizes thrown in.

Every Wednesday night at the Waikari Scout Hall. Doors open at 7pm, games start at 7.30 pm. Supper is provided. There is a raffle, SUPER house and chocolate lines. For more info contact Mel 3144304
